HARTFORD JOB CORPS ACADEMY

At Hartford Job Corps Academy, you will receive free hands-on training for an exciting career in an industry of your choice. You can also earn a high school diploma or GED.

When you enter the program, we work with you to create a personal career plan specific to your goals. When you graduate, our counselors help you begin your career and find housing, transportation and other transitional needs.

Life on center

Most students live on campus in one residential dorm. Men and women live on separate floors, with two to four students sharing a brightly furnished suite. We also offer a nonresidential program through which students can attend Job Corps and live at home.

The center provides well-equipped classrooms and self-paced career skills training and academic programs in a safe environment, where a Zero Tolerance Policy for drugs and violence is strictly enforced.
